LESLIE APPLETON-YOUNG
Vice President and Chief Economist

This is a co-sponsored event with WCR and DAR working together bringing relevant and *vital* information to our local Realtor community.

Leslie Appleton-Young – Vice President and Chief Economist for
The CALIFORNIA ASSOCIATION OF REALTORS[®] presents:

The "2010 California Housing Market Forecast Update" and the "New Normal"

Mrs. Appleton-Young directs the activities of the Association's Member Information Group. She oversees the analysis of housing market and brokerage industry trends, member communications, and membership development activities. She is also closely involved in the Association's strategic planning efforts and is a well-known speaker in California's real estate community.

Special Price for this Event for ALL Attendees is \$22

Advanced Registration Only
